

Dear Mom and Dad (Please, include their names as well),

I would like to invite you to a viewing of a video that I've made that will highlight my strengths and areas of growth during the school year. I'll be showing this video during Parent Teacher conferences. I am excited to show you how I demonstrate the schools core values and meet the Expected School-wide Learning Results (ESRLs).

We will be watching the video with my Advisory teacher, (Please include your teacher's name).

Sincerely,

Your Son/Daughter
